(By Review Leased Wire)
ST. LOUIS, Oct. 31.—Mortgages for \$400,000,000 were filed by the St. Louis and San Francisco Railway company today at Clayton, Mo., seat of St. Louis county.

One mortgage of \$250,000,000 is a prior lien in favor of the Central Trust Company, of New York, and Daniel K. Cattlin, of St. Louis, trustees. An adjustment mortgage of \$75,000,000 is in favor of the Bankers' Trust Company and Edward F. Swinney, trustees; and an income mortgage of \$75,000,000 is in favor of the Union Trust Company of New York and Jas. Herdon Smith, trustees.

The mortgages were given as the final step in the Frisco reorganization. The receivership ends tonight and beginning Wednesday morning the reorganized company will operate the properties.

boats. Captain Brown was last seen lashing himself to a raft.

"The Marina with a cargo of whiskey from Glasgow to Baltimore was struck by a torpedo without warning on the starboard side off Skelling Rock at 4:14 o'clock Saturday morning and sank in a few minutes. A second torpedo struck the port side of the vessel about 10 minutes after the first.

"All Americans aboard were members of the crew except one, a passenger named Middleton, of Fredericksburg, who was drowned, and two stowaways who were also drowned. "The submarine watched our boats for half a hour and offered no assistance."

FOOLS' PARADISE WE'RE LIVING IN, TAFT TELLS U. S.

Don't Let Present Prosperity
Deceive You Into Supporting
Democrats. It Takes the G. O.
P. To Prosper.

CINCINNATI, Oct. 31.—Asserting that the people of this country are now living in a fool's paradise and that "the Democratic party is seeking in its argument to induce the people to live in that fool's paradise until after election," former President W. H. Taft addressed an out-pouring of people here tonight.

"The Democrats ask you to continue them in power because we now have prosperity," said Mr. Taft. "The slightest analysis of this claim will show how utterly untrue the people will be if they allow it to have any effect upon their judgement in selecting the party which is to conduct the affairs of the nation for the next four years.

"On that instant that peace is declared abroad there will be an enormous falling off in the great demand for our products. With the speed of a cable dispatch, the conditions must radically change. Great factories, adapted only to the manufacture of war munitions, must cease to operate and the wage earners must be thrown out of employment until the plants can be made over to make peace products, and until a new demand for such products can be created.

"This result can only be intensified by what must go on the European countries that were before the war our chief competitors in production and sale. Competition, keener than we ever had to meet, will invade our markets, reduce our profits and reduce our wages, unless we prepare to introduce a buffer between us and it."

The former president then commented on the Underwood tariff law; on the large number of unemployed shortly previous to the European war and concluded with an appeal for the election of Hughes and the support of the Republican ticket.

WHY I AM FOR WILSON

By
Marjorie Benton Cooke
Author of "Bambi" and Other
"Best Sellers."

I am for Woodrow Wilson because I believe that Destiny has forged him as the tool of this commonwealth, in this one of our crucial moments, as surely as it forged Lincoln for our needs.

Because he stands today equipped with a trained mind and heart, inspired by a true vision of democracy, mellowed by four years of political and personal experience, ready to go ahead with the mighty problems of this nation—a new man, astride of new times!

He can lead America, if America is ready to lead. He can express us to Europe. He can say that this huge army and navy we are piling up is ready to become a part of an international police for world defense; that our great resources may be tapped for the rebuilding of her ruins; that her problems are ours, as her needs are ours.

He will speak America's ideals proudly, for he glories in them. He is not ashamed to be called idealist, in this day of materialism. He believes that the way for us to have a spiritual power, is for us to use, with courage, what spiritual power we have.

For my part, I want no party tool, no man of compromises for our spokesman now. I want a man of deeds and of vision!

HOUSE OF CONGRESS TO GO REPUBLICAN SAYS G. O. P. LEADER

Will Have Majority of at Least
Twenty-Seven, So Woods Says
—Declares It's a Cinch That
Hughes Will Win.

(By Review Leased Wire)
WASHINGTON, Oct. 31.—A Republican majority in the next house of at least 27 is predicted in a statement issued here tonight by Representative Woods, of Iowa, chairman of the Republican congressional campaign committee.

Mr. Woods also declares Hughes will be elected by a "satisfactory majority," and that the Republicans have better than an even chance of controlling the senate.

"These figures are not a mere guess," says the statement. "They constitute a summary of the final reports made to this committee to date by hundreds of careful, experienced workers, who sent their information not with the idea of making as flattering a report as possible, but in order to give the exact situation in their respective communities on the eve of election."

"I am confident of the soundness of my information and therefore say that there is a practical certainty of the election of Mr. Hughes and a Republican house and a fifty-fifty prospect of Republican control of the senate."

A REMARKABLE STATEMENT

Mrs. Sheldon Spent \$1900 for
Treatment Without Benefit. Finally Made Well by
Lydia E. Pinkham's Vegetable Compound.

Englewood, Ill. — "While going through the Change of Life I suffered with headaches, nervousness, flashes of heat, and I suffered so much I did not know what I was doing at times. I spent \$1900 on doctors and not one did me any good. One day a lady called at my house and said she had been as sick as I was at one time, and Lydia E. Pinkham's Vegetable Compound made her well, so I took it and now I am just as well as I ever was. I cannot understand why women don't see how much pain and suffering they would escape by taking your medicine. I cannot praise it enough for it saved my life and kept me from the Insane Hospital."—Mrs. E. SHELTON, 5657 S. Halsted St., Englewood, Ill.

Physicians undoubtedly did their best, battled with this case steadily and could do no more, but often the most scientific treatment is surpassed by the medicinal properties of the good old fashioned roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.

If any complication exists it pays to write the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special free advice.
